Newsletter – Autumn Term 2022 – Friday 14th October

Dear parents/carers,

It's been a very busy week in school with two special days bookending the week – Hello Yellow Day on Monday and Diwrnod Shwmae today. As a result, the school has been very colourful!

Parent Questionnaire

Your feedback, views and opinions on how we are currently performing as a school are very important to us. We hope that you will feel that your child is happy, safe and making good progress whilst in school. However, we would always encourage you to come and talk to us if you feel this isn't the case.

We would be very grateful if you could complete the following survey expressing how you feel about the school and the provision we provide. This will help us to be as effective as we can be in providing a safe, engaging and stimulating environment for all pupils, where they make good or better progress in their learning. We will analyse the results of the survey to find out whether we need to adapt/improve our processes in specific areas.

The survey should take only a few minutes to complete. We will publish summary data from the survey following the deadline for completing it, which is Friday 28th October.

Hello Yellow Day

Pupils across the school were thinking about their feelings and emotions on Monday as part of Hello Yellow Day. During the day, pupils in each class engaged in a range of age-appropriate activities which helped them think about their mental health and well-being. Many thanks go to Mrs Bowers for organising the day.

Diwrnod Shwmae

Diolch yn fawr iawn i Mr Davies a Criw Cymreig heddiw. A big thanks goes to Mr Davies and the Criw Cymreig for a wonderful day of Welsh language activities within the school. It has been great to see the pupils in their Welsh colours, hear them speaking so much Welsh and of course witnessing the amazing teamwork and support which has been evident throughout the day as pupils from each of the four classes

mixed to make groups which then rotated around the school throughout the day, engaging in a range of activities.

Here are some of our favourite photos from the day!

Harvest Festival

A reminder that it is our Harvest Festival on Monday from 9.30am. The pupils have been enthusiastically practising their performances this week and are sounding brilliant. Parents are welcome to attend on Monday morning but please be advised that seating will be limited so that we can fit all of the classes and staff into the hall.

This year, we will be donating food to PATCH. If you have donations to make for this worthy cause, then please send them in with your children on Monday morning. We will be delivering all donations to PATCH in Milford Haven on Monday afternoon.

Please see below for information taken from PATCH's website about the type of donations they would like to receive:

Congratulations to all of our Stars of the Week, those who were presented with a Headteacher's award and (for the first week) our Cymro a Cymraes yr Wythnos – this is for pupils who have been using their Welsh language skills in class or around the school. I hope you enjoy our weekly video showing these pupils and, of course, some of the wonderful learning which has taken place across the school this week.
